

The Truth About Me

C | E^b / F / | C | E^b / F / [x 2]

C | E^b / F / | C | E^b / F /
I'm no helpless bystander

C | E^b / F / | C | E^b / F /
I admit it sadly

C | E^b / F / | C | E^b / F /
I am in full participation

C | E^b / F / | C | E^b / F /
That's the truth about me

C | B^b F
Mercy, not justice

C | B^b F | C
Mercy I need it now

C | B^b F | C
Help me come clean and say

[C] | B^b F | C | E^b / F / | C | E^b / F /
My sin drives me away [from You]

C | E^b / F / | C | E^b / F /
I tried not to say the 's' word

C | E^b / F / | C | E^b / F /
Avoiding it at all cost

C | E^b / F / | C | E^b / F /
S-i-n is so defining

C | E^b / F / | C |
But here's the new line I have crossed

Chorus

Am Em
 [away] into darkness
Am Em Dm
 far from ever knowing You [x2]
G Am G Am
 what a tragedy that would be for me

Am | G/A | Am | G/A | Am | G/A | Am | G/A |

C | E^b / F / | C | E^b / F / [x2]

C | E^b / F / | C | E^b / F /
 I'm no hopeless bystander

C | E^b / F / | C | E^b / F /
 I am learning what to do

C | E^b / F / | C | E^b / F /
 Take my ugly sins from hiding

C | E^b / F / | C | E^b / F /
 And lay them all out before You
